

# How to get your cookies

1. Go to your application tab in the developer tools.
2. Go to cookies and select the "nhentai.net" url.
3. And copy the "csrftoken" and "cf\_clearance" value.

The screenshot shows the Chrome DevTools Application tab. The left sidebar is expanded to 'Storage' > 'Cookies', where 'https://nhentai.net' is selected. The main pane displays a table of cookies for this domain. The 'csrftoken' and 'cf\_clearance' cookies are highlighted with a red box. Below the table, the 'Cookie Value' section shows the decoded value for the selected cookie.
